## **ARCHERY-Bow Types**

Archers shall compete in the Bow Division that allows all of the components of the bow and release method being used, although all components are not required to be present. For example, a Bare Bow is not required to have a 12" stabilizer even though it is allowed, and a compound bow with no sights using a mechanical release would shoot in Bowhunter or Unlimited class because of the release.

- **Primitive Bow (PB):** Longbow or Recurve with finger release and no sights or stabilizers.
- **Bare Bow (BB):** Any bow with finger release and no sights. A single straight 12" maximum stabilizer is allowed.
- **Limited Bow (LB):** Any bow with finger release and fixed sights with a length of 5" or less. Peeps with clarifiers or verifiers are allowed. A single straight 12" maximum stabilizer is allowed. Sights that are adjustable without the use of tools or sights with a lens are not allowed. No sight may be adjusted once the scoring has begun.
- **Bow Hunter (BH):** Any bow with mechanical release aid, and fixed sights with a length of 5" or less. Peeps with clarifiers or verifiers are allowed. A single straight 12" maximum stabilizer is allowed. Sights that are adjustable without the use of tools or sights with a lens are not allowed. No sight may be adjusted once the scoring has begun.
- **Unlimited Bow (UB):** Any bow with mechanical release aid, stabilizers of any length, V-bar, any sight including movable sights or sights with a lens, and written information. Sight may be adjusted any time during the round, but only by the Archer. (Not the coach.)
- **Olympic Recurve (OR):** Recurve bow with finger release, clicker, kisser buttons, V-bar, stabilizers of any length and any length single movable sight with written information or multiple pin fixed sight. Sight may not incorporate a prism, lens, or leveling device. String peeps are not allowed. Sight may be adjusted anytime during the round but only by the Archer. (Not the coach.)

**ARCHERY- Age Division :** For state matches "age" is based on the Member's age on October 1st preceding the event. For the National Qualifying Tournament and the National Invitational "Participants must have past their 14th birthday by January 1 of the current year and may not have passed their 19th birthday before January 1 of the current year." Archers must compete in their own Age Class as follows:
