Lewis and Clark Shooting Sports Registration Information

Place an X in your preferred time slot and 2 for an alternate time. You may shoot in an event, such as Bare Bow, only once but you may shoot in as many events as you wish or as time allows.

Shooting times will be assigned in the order in which they are received. Coaches, please schedule accordingly for shared equipment. Please do not schedule multiple events in the same time period. For example, if you want to shoot Air Pistol from 11:00-12:30, you will not be able to shoot Archery in either the 11:00-12:00 or 12:00-1:00 shooting times. If you have special scheduling needs, have physical limitations or are traveling LONG distances, please attach a note specifying your concerns. We will do our best to accommodate everyone.

The shooting schedule will be posted on the Lewis & Clark County 4-H website and emailed as soon as possible.

Equipment Swap

Again this year we will offer a swap board at our invitational. We hope it helps make shooting sports an affordable project for all 4-H members, helps 4-H groups acquire needed equipment reasonably and helps clear out closets (or rooms) full of outgrown equipment still in good condition.

If you would like to offer equipment for sale or give-away, please post a pin-up sheet containing a clear photo or photos, written description(s) and tear off phone number at the bottom. Your best bet of passing the equipment is to bring it with you to show to a perspective buyer. When you make a successful sale, please take your sheet down.

All equipment must be appropriate for 4-H shooting sports and all liability rests between the seller and the buyer.

The difficult part of this arrangement is the phone call. We absolutely cannot have phones ringing during shooting nor may you sit in the stands discussing a sale. You may keep your phone with you **on vibrate**, but you must move immediately away from the shooting area to talk.

We hope we have your full cooperation in making the equipment swap successful.
