**ARCHERY EVENTS, RECURVE & COMPOUND**

**(Please see other side for Qualifier Practicum Registration Form)**

Two archery disciplines are recognized: Recurve Archery and Compound Archery. Both disciplines shoot the same set of three events at the National 4-H Shooting Sports Invitational. (We will be shooting approximately ½ of the numbers in each event)

Any bow that uses pulleys or cams is deemed a compound. Note that while the tree governing bodies for the three different events have slightly different requirements or restrictions-for the sake of simplification-the National 4-H shooting Sports Invitational uses one standard for equipment-for **all events**. Procedural rules, course of fire, scoring, etc. will follow the NGB unless otherwise noted.

**EQUIPMENT STANDARD:**

	<b>PERMITTED</b>	<b>NOT PERMITTED</b>
<b>RECURVE~Longbows &amp; Recurve Bows</b>	One adjustable sight pin or multiple hunting style sight pins may be used; clicker and kissers permitted; Participants may have as many sight pins as deemed necessary; Torque compensators are permitted. 60 lb. maximum draw weight.	String peeps and mechanical release aids.
<b>COMPOUND</b>	Release aids, String peeps, optical sights, spirit levels; 60 lb. maximum draw weight. Multiple pin sights allowed.	Overdraws may not place the arrow rest further than 6cm from the pivot point of the bow.
<b>ARROWS for both disciplines</b>	Must meet AMO minimum weight standard; 5 grains arrow weight per pound bow peak draw weight.	No arrows larger than 27/64ths in diameter are permitted.
